## **2009 MIAA MIDDLE SCHOOL VOLLEYBALL SCHEDULE**

### **6<sup>TH</sup>/7<sup>TH</sup>/8<sup>TH</sup> Grades**

#### **REGULAR SEASON/ TOURNAMENT GAMES:**

According to the TSSAA Sports Calendar the number of regular season contests in girls middle school volleyball is (20) twenty matches. Furthermore, tournaments shall count as (2) two games, which means that each MIAA school participating in this year's volleyball season can actually play (16) sixteen regular season matches. The MIAA City Championship play-off and game will count for two. The TMSAA Sectional Championship play-off and game will count for two (2) which will give you a total of 20 matches for the season.

#### **NON-LEAGUE MATCHES:**

If your school is not scheduled to play during a particular week you may contact other teams not playing on the same date and schedule a non-league match to complete your schedule. Remember, you only have (16) sixteen regular season matches to give.

#### **RALLY SCORING:**

Scoring will be set up for tournament style play with the best 2 out of 3 matches. The first two matches will be played to 25 points with no cap and the 3<sup>rd</sup> game will be played to 15 points with no caps.

#### **SCORE REPORTING:**

**New this season!!!** Winners and losers of all matches are **REQUIRED** to report all match outcomes to Robert E. Cole by email at [coler@mcsk12.net](mailto:coler@mcsk12.net) no later than 24 hours after the match is completed. (Example: Katie, Manchester United won against Liverpool in 3 games. The scores were: 25-23, 18-25, and 15-10.) This is a fast and easy way for me to keep up with records **DURING** the season so we do not have to scramble last minute to get records in before the city championship meeting.

#### **ELIGIBILITY LIST:**

TMSAA Eligibility Report & Schedule is due 1 week before your first contest directly to the TSSAA and copies to the MIAA office.

#### **INSURANCE:**

All participants must be insured. For more information, please contact Katie Upchurch at 901.603.5370. Insurance is due **Thurs., September 4, 2009**. The cost is \$5 per athlete.
