NSDC Standards for Today's Professional Development:

CONTEXT STANDARDS: RESOURCES - Staff development that improves the learning of all students requires resources to support adult learning and collaboration.

PROCESS STANDARDS: DATA-DRIVEN – Staff development that improves the learning of all students uses disaggregated student data to determine adult learning priorities, monitor progress, and help sustain continuous improvement.

PROCESS STANDARDS: DESIGN – Staff development that improves the learning of all students uses learning strategies appropriate to the intended goal.

CONTENT STANDARDS: QUALITY TEACHING - Staff development that improves the learning of all students deepens educators' content knowledge; provides them with research-based instructional strategies to assist students in meeting rigorous academic standards, and prepares them to use various types of classroom assessments appropriately.
