2007-2008 SCHOOL YEAR

Dear Parents:

Geeter Middle School is proud to announce that once again the school is classified in the improving status academically.

Our school is a federally funded school-wide Title I school. Title I funds are available for academic programs and strategies, additional teachers and other personnel, staff development, materials, supplies, technology, and parent involvement and training.

Your participation in your child's education is important to us. For this reason, we have developed a Family Engagement Plan for our school. The Family Engagement Plan explains how we work with parents to review and improve parent and other school programs and describes how you can participate in planning these programs. We value your involvement and urge you to take time to read the Family Engagement Plan and the other attached documents. We are also providing a copy of the MCS Board Policy (#6156) on Family Engagement. As you will see, Geeter's Family Engagement Plan is based on this Board policy.

Federal law requires us to distribute the MCS Family Engagement Policy, Geeter's Family Engagement Plan, notice of school-wide Title I program eligibility, Student/Teacher/Parent Compacts and the Parents' Right-to-Know policy to parents to ensure their involvement in their children's educational process.

Please sign the form below and return it with your registration packet so we can be sure that you have received this important information.

If you have any questions, feel free to call.

Very truly yours,

Wanda Harris
