

FAMILY ENGAGEMENT PLAN MITCHELL HIGH SCHOOL

2007-08

Our school has jointly developed with parents, a written parent involvement plan that strongly encourages all parents to be actively involved in their child's educational process. The school Level Parent Involvement Plan has established the expectation for parent involvement. The school and home have a shared goal of promoting success in our children, and insuring that they are safe. With this in mind, parents have the right to transfer their child to another school within the district if they are the victims of a violent crime while they are at school. Mitchell High School is dedicated to holding an annual meeting that all parents are invited to attend to give information of Title I requirements, school's participation in Title I, and the right of parents to be involved in the school. Family and community are also encouraged to refine their knowledge of the events of the school and act as advisors, resource persons and coordinators in the following ways:

1. Attend school events and serve as advisors
2. Serve on the site-based leadership team
3. Use their talents/resources to enhance the instructional process
