Welcome to Raleigh-Egypt High School

It is with great pleasure and excitement that we, the administrators, faculty and staff, welcome your child to Raleigh-Egypt High School( REHS), Home of the Mighty Pharaohs . Our goal is to have students reach their highest potential of success. The administrators, faculty, and staff strive to provide students with an active learning environment, positive social interactions, and analytical skills that will result in self-motivated learners.

We are a school in **GOOD STANDING** as proclaimed by the State Department of Education. We encourage parents to continue to involve themselves in the active learning of the child by:

- \*Volunteering at the school
- \*Visiting the school
- \*Listening when your child describes daily school activities
- \*Helping out with homework
- \*Encouraging your child to **READ**

Remember, children achieve in an environment that provides a supportive atmosphere.

We are very fortunate to have adopters such as Buckman Laboratories, Bank of Bartlett, and the Tennessee Valley Authority. Our adopters provide academic support, monetary donations, mentoring, and tutoring for our students. Buckman Laboratories Staff print our school's newsletter and other pertinent documents as we need them for distribution to parents and other stakeholders.

Raleigh-Egypt High School is dedicated to making students visionary lifelong learners who are educated, informed, and empowered.

- Show respect for your child's feelings, thoughts, and suggestions.
- Make your child feel loved with your words of praise, and your hugs and kisses.
- Keep your word. If you must break it, apologize and make it up to your child.
- Encourage your child's creativity. Ask questions to stimulate curiosity and imagination.
- Build your child's self-esteem by showing appreciation for all genuine efforts.
- Stay involved. Know what's going on in your child's life, both at school and home.
- Discipline your child fairly, firmly, and consistently with love. Focus on the behavior, not the child.
