Parental Involvement Plan

The 2006/2007 NCLB parent involvement policy was jointly developed with parents and community members to establish the expectations for parental involvement.

Parental Involvement

The 2006/2007 Parental Involvement Plan for Ridgeway Middle School was established to assist parents with the knowledge, skills, information, and expectations needed to assist and ensure their child's success in school. At Ridgeway Middle School, we have high standards for academic excellence. Teachers, students, and parents work very hard to accomplish the goals we set for raising scholastic achievement, attendance, and promotion standards. We are committed to continuing an ongoing partnership with parents to create, implement, and maintain a means of open communication that strengthens both school and home learning environments.
