5. Respond to memos, surveys, and questionnaires expressing ideas and concerns

**NCLB (No Child Left Behind) INVOLVEMENT**

The administrators, faculty, and staff will provide a strategic plan and implement Title I requirements according to the guidelines set forth in the law which includes the following:

1. Make parents aware of Title I NCLB requirements and Trezevant's participation
2. Allow parents to observe the school's program(s) and visit classrooms
3. Provide parents with student information, timely progress reports, and timely information about Family Engagement programs
4. Solicit feedback from parents at regular parent meetings on decisions relating to the education of their children
5. Provide parents with a description and explanation of the curriculum in use at school, forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet

To ensure that our parents participate in the development and implementation of the school's program, we will do the following:

2. Conduct regular and flexible parent meetings, during the day and throughout the school year, for parent/teacher conferences to discuss student progress and to keep parents informed of current events and issues
3. Offer parents parenting skills training and training to help them help their children improve achievement
4. Involve parents, in an on-going and timely way, in the planning, review, and improvement of the Memphis City Schools and School-Level Family Engagement Plans

6. Encourage parents to regularly visit and take an active role in school planning
7. Provide a parent and student handbook covering school rules, policies, and procedures
