From The Desk Of The Principal

Dear Parents,

We are pleased to have you as partners this year. Our mission is to see that the parents and guardians of students feel at home at Westhaven. The staff at Westhaven is available to assist parents. Your interest, your involvement, your support, and your parental guidance have never been more important to our staff.

We can be proud of what we have achieved at Westhaven Elementary. Our curriculum is what it is because a staff of dedicated, aspiring men and women have a common goal to do what is best for students, and are always looking for ways to achieve that goal.

Our goals for the following year include:

- Increasing student achievement on TCAP
- Creating a Responsive Classroom Environment
- Creating a Fight Free Climate
- Each student reading 25 books
- Building long lasting relationships with students, parents, and community stakeholders

If you have any concerns about any aspect of your son's or daughter's education, feel free to contact the teacher, a guidance counselor, or the administrative staff. We welcome your questions.

Please accept my best wishes for a happy and successful school year.

Sincerely,

Angela M. Whitelaw
